

**PLEASE
SUPPORT OUR
YOUNG DANCERS!**

Cecil Dance Theatre's reputation for providing excellent productions has grown at a rapid pace, but like most performing arts organizations, only a small percentage of our operating costs can be covered by ticket sales. We depend on the support of the business community to meet the ever-increasing cost of performances including rehearsal and performance venues, costumes, scenery, lighting designs, and guest performance artists.

Cecil Dance Theatre's productions have sold-out to crowds of over 1,500! Your business will receive exposure to a multitude of area patrons. We present two full-scaled productions at Cecil College each year, and we'd love to have you team up with our organization! For additional information on Cecil Dance Theatre, please call us at 410-287-3546 or email us at info@cecildancercenter.com.

Cecil Dance Theatre is a charitable 501-C-3 non-profit organization, contributions may be tax deductible. Please check with your tax advisor for details.
